Task 1:

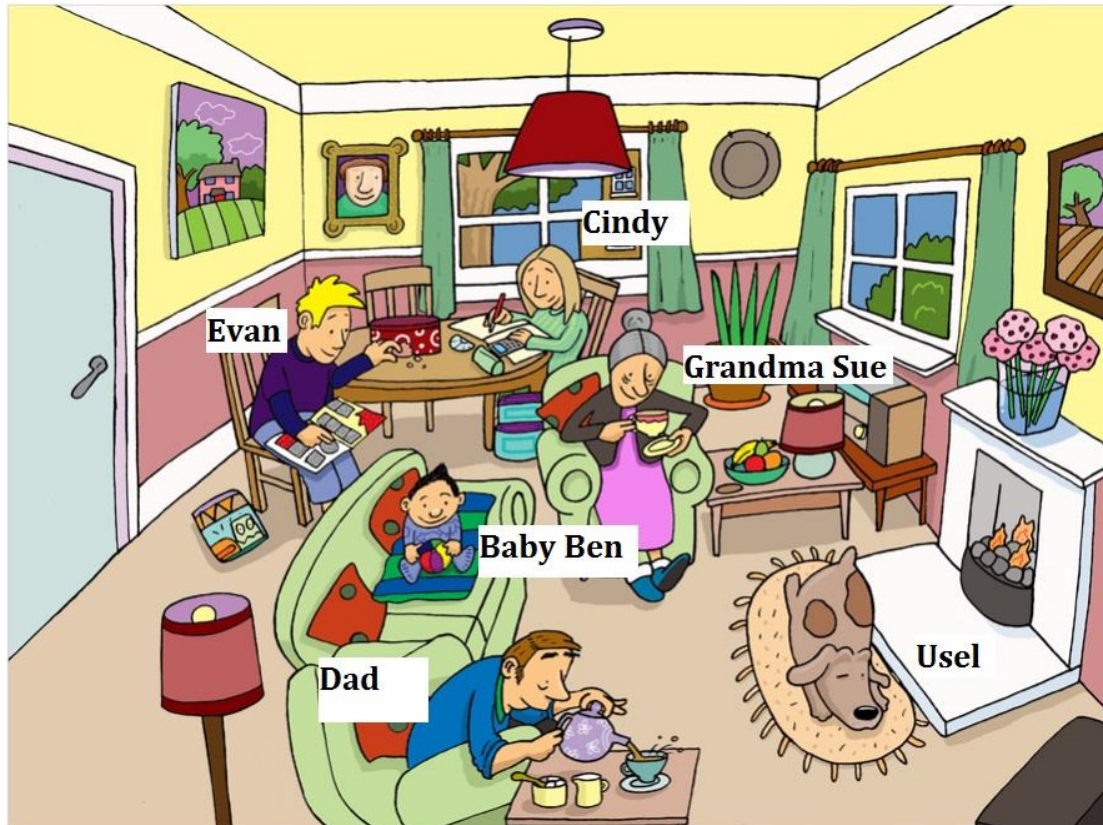

Choose two rooms in your house.

Write about each room. How big is it? Which objects/furniture do you have in that room? How many windows does it have? Does it get sunlight?

In the next class you will talk about the two rooms to the class online.

Task 2:

Write down at least 10 of the things you see in the picture (for example, flowers) Try to remember some of them because we will talk about them in the next online class.
